Business discussed

Compass School Council

Feedback from meeting by Sally and Emanuel What makes a good School.

Sally and Emanuel explained that they had discussed what they thought every child should experience by the time they left Primary School. This included Residential School Trips, Tournaments in Sports, Maths and Debates. Fundraising possibly across all Compass Schools. A visit to a theatre to see a 'big' show eg Aladdin.

I explained that their next meeting would be 31st January in London.

Friendship Posters.

Following a successful Poster Competition Miss Cook has laminated the winning posters and made a tablecloth for a Friendship table in each playground.

School Council will put the posters up next week, but the tablecloth will not be put out until the weather improves.

Original have been kept for future use.

Tuck Shop Revamp.

Following a request for Mrs Cutajar School Council looked at and discussed the contents of the Tuck Boxes .

We looked at the calories and fat content of various items.

We discussed Winders and the children decided that although they contain natural fruit they can stick to teeth and as they are unable to brush their teeth that they should be removed once current stock is used up.

Ideas for new tuck items included:

Plain water, oatly flapjacks, raisin brioche, boxed raisins, muffins, rice cakes.

Fresh fruit, apples carrots, satsumas pears.

Plain and flavoured milk

Hula hoops may be removed and replaced by puffed hoops.

They thought that fresh fruit was a good idea for KS2 as they do not receive fruit like KS1.

We have decided to carry out a survey with Years 3,4,5 and 6 to see if they would but certain items before adding them to the Tuck list

Red Nose Day

Looking for new ideas as a fund raiser.

Possible ideas Party in the Hall, wear red, games and food.

Sponsored run Avery Hill Park

2p or 10p trail around the playground

Aerobics in the playground (Sponsored)

They will think of ideas and feedback at the next meeting.
