

STAY AND PLAY GUIDELINES

A very warm welcome to Alderwood's Stay & Play session. Parents and Carers, please note the following guidelines:

- Please advise the session leader if this is your first visit and ensure you have read and signed the session agreement
- Please ensure that you sign in and out at the start and end of every session
- The session leader is here to facilitate the session but cannot assume responsibility for children. It is the parents/carers responsibility to supervise their children at all times as the setting is used by a variety of ages
- Please treat all toys and equipment with care
- Please only use the toys and equipment that are already laid out for the session
- Please share the toys and equipment so that all children can have a turn
- Any equipment covered over means it is not for use during the session
- Please help to tidy up inside and outside at the end of each session
- If your child has an accident, please let the session leader know and they will get some cleaning products for you
- You are welcome to choose a book to take home and share with your child from our Stay & Play lending library, but please ensure you return it on your next visit
- Any questions, please just ask the session leader
- Enjoy and have fun!!
