Dear Parents / Carers

Elm and Hawthorn classes will be taking part in Celtic day on Friday 23rd October. As part of the day, children will have the opportunity to dress up as Celtic farmers; try a range of different foods; create Celtic cloth designs using natural designs and build their own Celtic round house.

Food and fabric will be provided. However you are welcome to provide your own costumes for your child to wear into school that day. Please note the focus is on every day village life. Children will be dressed as Celtic farmers.

Yours Sincerely

Mrs Clark
