

Dear Parents/Carers,

We have had another great week here at Alderwood. Elm Class wowed us with their assembly based on Hamlet. They brilliantly created a ghostly atmosphere by using music, language and acting.

Stretto Music hit the ground running this week and worked with most children across the school. They began by looking at beat and rhythm through Brazilian songs. The children loved every minute of it!

Beech Class were in awe of Severndroog Castle when they visited this week. All children were impeccably behaved and truly felt like Kings and Queens, if only for a short while!

Sycamore and Beech Classes have begun to use Tapestry, which is an online learning journey for all children. Please return your consent form, complete with your email address, for you to have access to, and contribute towards, your child's learning in the Foundation Stage.

Hawthorn Class have been making their very own volcanoes in class this week! They mixed together different

ingredients and watched how their volcano erupted! Do you know what they mixed together to create this effect?

'It was great! I couldn't believe that it actually blew up!' – Kitty

We would like to remind parents again that we take school uniform extremely seriously and it is important that every child attends school wearing the correct uniform, which includes no boots, particularly for girls.

Another health and safety point to remember is not to park on the zigzag lines outside the school at any time.

Yours sincerely,
Mrs K Cutajar
