

School Council 2015 - 2016

What has changed since September?

- Children across the school concentrate on their learning more
- Communal displays are themed and there are artefacts around the school
- The values are more important now and affect everything
- Displays are really useful now and they have quotes from our own learning
- Our teachers tell us how to get better rather than just telling us it is wrong
- Introduction of Peer Mediators across the school
- Great whole school projects
- Library has been re-vamped and is now great
- Loads of trips!

'When the learning is great, everything is great'
Kieran maple Class

What have we done this year?

- Helped to introduce more activities at playtimes
- Visited Deansfield and hosted a return visit
- Decided on charity events for Red Nose Day and Go Yellow Day
- Visited Willow Dene to meet other School Councils regarding becoming a MAT
- Judged the Easter Bonnet and Egg and Dinosaur Competitions

**'We had a great time at Willow Dene'
Sarah Hawthorn Class**

Future Plans

We would like the next School Council to be involved in the following projects:

- Expand school values
- Make the nature area safer and more accessible for all to use

**‘Amazing Alderwood is such a great place to be!’
School Council June 2016**
