Dear Parents and Carers,

I hope this email finds you well.

I am writing to you regarding the ongoing management of the Covid-19 pandemic as we approach the end of the term. We are monitoring the impact of the rise in positive cases on staff and pupils on a daily basis and want to make you aware that if we feel we are reaching a position where it is too difficult to maintain face to face provision, we may need to move to remote provision for the final few days of term.

I want to assure you that our schools are working incredibly hard to remain open whilst absences increase. We will be in contact with you as soon as possible if we do find that we are in the position of having to move to remote learning for the final days of term.

Thank you for your ongoing support and understanding at this time. Please do not hesitate to speak to your headteacher should you have any further questions.

With very best wishes,

John Camp
