Dear Parent/Carers,

I hope you have had a lovely week! It has been a great week here at Alderwood – the pupils are really enjoying their time with their peers and we have welcomed back even more of our community which has been fantastic!

Returning Pupils

Since last week we have had a number of parents contact us about their child(ren) coming back to school from all years and we are very happy to accommodate this as the Government Guidance states 'schools may offer this capacity to another pupil' if the uptake for initially eligible year groups is not taken up which is what has occurred.

As a result, we have been able to allocate all interests successfully by creating two more bubbles (specific bubble information has been sent out to returning pupils). However, this now means our spaces in school are very limited.

If you would like your child to return to school, we need to be notified by Tuesday 23rd June next week on awcontact@alderwood.compassps.uk. The office will then be able to inform you if this is a possibility.

Please note: once the current bubbles reach capacity we cannot offer any more additional spaces as the school would have reached capacity.

Lending library

Our socially distant lending library is still running and will continue to do so until the summer holidays!

On the below timetable you will see when you will be able to come in and swap your children-s books. This will be run by the school support staff. The children will be able to collect 3 new books to read and return old ones. The books will be cleaned with anti-bac in the morning before they are put out and at the end of the day when they are collected in. We really hope you will enjoy taking the opportunity to refresh your home libraries. We will also have new exercise books available for you to pick up if you need.

Collection to take place at front entrance.
