Co-Heads of School: Katie Cutajar and Natasha Tilley

6th May 2016

Dear Parents/Carers

Re: Year 5 Personal Social and Health Education (PSHE) Programme

As you may be aware, part of our curriculum is learning about puberty and growing up. We always deal with topics of this nature sensitively and with the upmost care and respect for all the children involved.

We have our School Nurse, Melissa Taylor, coming in to talk to the girls of Palm Class regarding this area of the curriculum on Tuesday 24th May. This is also an opportunity for us to answer any questions that the children may have and for you to speak to your child about growing up.

Please speak to Miss Spearman if you have any questions or concerns.

Yours sincerely

Mrs K Cutajar
co-Heads of school

Miss N Tilley
co-Heads of school
