Dear Alderwood school,

Bexley Foodbank would like to sincerely thank you for your harvest contribution this year. In total with all schools and churches who supported us, we collected 6149KG in total. Amazing thank you.

Last year, we were able to feed 4,085 people in crisis in Bexley Borough, due to generous, kind and caring people like yourselves.

You collected 117.55KG, which is an amazing amount of food. Thank you again, we really appreciate your support. We also appreciate your support throughout the year.

Kind regards

Gill Bates

Bexley Foodbank Manager
