Dear Parents/Carers,

What a beautiful, sunny week we've had here at school and all this sunshine has certainly helped our plants to take root! The children are very excited to be nurturing their home grown produce!

We are delighted that, in addition to the packed timetable of activities, that we are able to offer Years 4, 5 & 6 the opportunity to access an intensive swimming course before the end of this academic year. All children in those classes will swim **every afternoon for a week** to brush up on their skills and meet national curriculum expectations. More details to follow!

We are also delighted to be offering two outdoor after school clubs run by Miss Cook. She will be offering her much loved Mindfulness Club and a new Gardening Club along with help from Mrs Cobbold. Texts were sent out earlier in the week!

We have also relocated our Music Room to the heart of the teaching part of our school. When you do eventually return to collecting your children from inside our perimeter, you will hopefully be treated to some music while you wait!

Our school is alive with talk about our whole school project; A Midsummer Night's Dream. It is a great story of love and friendship. The children have certainly been immersed in the text as they are able to talk very eloquently about the different characters.

We are delighted to be welcoming so many younger brothers and sisters to our school in September, however we may a few places left in our new Reception Class. If you have a school aged child and have not applied for their school place, then please do contact Admissions or spread the word between your friends and family about what a great school we are!

Have a lovely bank holiday weekend and do continue to stay safe.

See you all on Tuesday.

Mrs Cutajar
